Host an In-Person Watch Party

Zoomed out? We are too. So for this year's Annual Benefit, we are encouraging friends to gather in their homes or favorite location of their choice to watch our event in community. We love what Breakthrough means to so many people and want that to be shared even when we can't gather together in the big ballroom. **Will you join us?**

Breakthrough Virtual Benefit

Thursday, October 21, 2021
7-8pm

Streaming Live on YouTube and
breakthrough.org/benefit

What does it mean for me to Host with Breakthrough?

Hosting with Breakthrough in 2021 means committing to:

- Gathering a group of your family and friends
- Watching the event together live
- Sharing why you love and support Breakthrough
- Encouraging your network to make a financial donation to Breakthrough

How will Breakthrough support?

When you agree to host with Breakthrough, we will provide you with the following:

- A Host Kit with:
 - Information about Breakthrough
 - Opportunities for your group to donate and volunteer
 - A take home gift for each of your guests
- A shout out to your host location on the screen during the event
- Staff support, including email templates to invite your guests

Sign me up!

We are so excited to have you as a Host for the 2021 Annual Benefit. Contact Kirsten Strand at kstrand@breakthrough.org for more information or to officially sign up.

Can't host?

We understand that hosting an in-person gathering is not an option. You can still:

- Gather your network virtually via Zoom and watch together
- Register and watch the event with us live at breakthrough.org/benefit
